Affordable Housing Services

As Certified Public Accountants and Advisors, BRC's Affordable Housing industry practice is one of our firm's largest. We provide assurance, tax and advisory services to more than 1000 affordable housing entities located throughout the United States. Our clients encounter unique and sometimes nearly impossible obstacles in developing and maintaining affordable housing properties. We, as a firm, take great pride in helping our clients to succeed in this industry, which is dedicated to the belief that every person deserves a place to call home. Our firm also provides hands-on guidance to navigate the technical and regulatory requirements of the affordable housing industry.
