Assurance | Tax | Advisory

As Certified Public Accountants and Advisors, BRC is pleased to outline our menu of firm services focused on the Senior Living Services industry.

There has never been a more dynamic time for those who serve seniors. As Healthcare for seniors has evolved from principally providing nursing care into continuing care retirement communities (CCRCs) comprised of independent living, assisted living, residential care, memory care nursing and more. Members of our Senior Living Services Team have evolved with the industry in identifying solutions to fit the unique needs of this community.

At BRC, we passionately apply our expertise and ingenuity in collaborating with service providers to find the best solution to complex technical and regulatory requirements of the senior living industry.

**Serving the Industry with Dedicated, Resourceful Teams - Let's Get Started Today!**
