GREENSBORO, NC – Tuesday, June 2, 2020 – BRC was recently named as one of the *2020 Best Employers in North Carolina*. This program was created by *Business North Carolina* and *Best Companies Group*.

This survey and awards program was designed to identify, recognize, and honor the best employers in North Carolina, benefiting the economy, workforce, and businesses in the state of North Carolina. The list is made up of 55 companies.

To be considered for participation, companies had to fulfill the following eligibility requirements:

- Be a for-profit, not-for-profit business or government entity
- Be a publicly or privately held business
- Have a facility in the state of North Carolina with a minimum of 15 NC employees
- Must be in business a minimum of one year

Companies from NC entered the two-part survey process to determine the *2020 Best Employers in North Carolina*. The first part consisted of evaluating each nominated company's workplace policies, practices, philosophy, systems, and demographics. The second part consisted of an employee survey to measure the employee experience. The combined scores determined the top companies and the final ranking. Best Companies Group managed the overall registration and survey process, analyzed the data, and determined the final rankings. The rankings were published in the June 2020 newly released issue of *Business North Carolina* (**BRC placed in the “top 5” (#5) in the medium-size business category**).
