Covid-19 Assistance Services

Paycheck Protection Loan Forgiveness (“PPP”) Services

As a professional services and advisory firm, BRC focuses on our clients. We understand the economic challenges and uncertainties created by COVID-19 that resulted in your need for a Paycheck Protection Program Loan. We are continually responding with resources, thought leadership, re-entry and recovery updates to accomplish more than tax and assurance compliance. These are unprecedented times, community and business leaders are seeking guidance in navigating the unique challenges they are facing. BRC has created a team to assist our clients with PPP Loan debt forgiveness requirements. We have developed debt forgiveness services which can be tailored to your organization’s situation.
